Now 1/4 less tobacco, all the flavor!

Merit breakthrough combines a new thin shape and great taste in a remarkable new, low-tar cigarette. Introducing new Merit Thins.

New Merit Thins have 1/4th less tobacco than ordinary cigarettes. But the really big news is what we've done with so little. Because of Enriched Flavor,™ Merit Thins deliver the rich taste and smoking satisfaction of leading light cigarettes, but with even *less tar.* And with less tobacco, there's less smoke.

New Merit Thins, in kings and 100's.

A solution with Merit.
